Financing Program for NCS Services Equipment and Services

We at Oakmont welcome the opportunity to service NCS's Clients with their equipment financing needs. Whether it is a new, rebuilt, or refurbishment of your existing machine, we can help with our financing programs.

Below are the basic requirements for approval:

Amount Financed/Leased \$50,000 - \$150,000

- Completed Application
- Equipment quote or proposal
- Three Months Bank Statements

Amount Financed/Leased \$150,000 - \$10,000,000

- Completed Application
- Equipment quote or proposal (provided by NCS)
- Three Months Bank Statements (unless a publicly traded company)
- Three Years Federal Tax Returns, including all schedules or CPA prepared financial statements (audited or reviewed, unless a publicly traded company).
- Interim Financial Statements (Balance Sheet AND P&L) not more than 60-90 days old. Personal Guarantees may be waived for Clients with over \$10,000,000 in revenues (unless a publicly traded company).
- Personal Financial Statements for all owners not more than 90 days old (unless a publicly traded company).
- Two Years federal tax returns for all Owners (unless a publicly traded company).

Terms can be up to 7 years but most are 5 years (terms up to 10 years are available under certain conditions).

All Owners are required to sign a Personal Guarantee (Request to waive PG is considered if annual revenues are in excess of \$10,000,000 or publicly traded).

At least three years time in business is preferred. Less time in business are able to be approved with proper financials and industry experience.

Progress payments can also be made to NCS Services.

If there is equipment from other manufacturers being purchased in conjunction with the NCS equipment we can include that equipment into one financial transaction with the different manufacturers.

We are looking forward to working with you. Please contact D.J. Jackson at Oakmont Capital Services at 877-701-2391 or djackson@oakmontfinance.com
